REQUESTED SONGS FOR YOUR SPEACIAL DAY

NOTE: I will play these songs during the reception, mixed in with my playlist that spans from the 40's to current. I will mix slow and up-tempo music depending on the crowd and how they react to the playlist; people sitting—more slow dances. I want everyone to enjoy themselves and of course with the music you request. I will take requests during the reception; if children are present I will play clean versions of songs.   My playlist will included popular group dances; no chicken dance, unless you request. LOL Again this is your special day and "Let the Music Play!!!" And "Turn up the Volume!!!"
